MY BEST FRIEND

Alexander Benton, who lives on Rural Route 1, Fort Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by S. F. Thurman, druggist. 50c and \$1.00. Trial bottle free.

Send your job printing orders to the Journal office. No blurred, smearsy work turned out.

WONDERFUL EXEMZA CURE.

"Our little boy had exema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors, but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noted improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonic. Guaranteed at S. F. Thurman's drug store. 50c.

The case was heard on the 15th of June and taken under advisement by Judge Killian. Mrs. Dix, taking it for granted that the divorce had been secured and her maiden name restored to Miss Alice Wroten, was married the same day under that name to Charley Williams. In fact the degree had not been rendered, and the Prosecuting Attorney, on hearing of the marriage, had a warrant issued for her arrest on the charge of bigamy. The case will not be tried until the August term.—Farmington News.

OUR GREETING

On opening up business in Potosi our success depended on you, and it was our purpose to do everything honorable, not only to secure patronage, but your lasting friendship as well. For in this way alone can our success be conspicuous. Business success necessarily rests upon the goodwill and confidence of the public, and it will ever be our aim to secure this good feelings from our friends and patrons. I know the American people appreciate fair and honest dealing, and when you trade with me you only pay a small profit over the cost of the goods, for we buy and sell for cash, and can thus afford to do business on close margins. I handle no second-hand or shoddy goods, in short lengths and weights. Everything new and up-to-date. My motto is—fair and honest dealing and one price to all.

YOURS FOR BUSINESS.

J. M. RAMSEY, POTOSI, MO.

DIED.

Entered into rest, on Thursday, June 13th, 1907, at 2 a. m., after a short illness, at the home of his sister at Bonne Terre, Mo., John O'Day, beloved brother of Anna Wilkinson (nee O'Day) and Patrick O'Day. The funeral services were conducted by Reverend Father Serleck on Friday afternoon at 1:30.

In view of the fact that the new court house must be adjacent to the business section of Potosi, convenient to the hotels, post-office, etc. there is, in the question of its site only two propositions worthy of reasonable consideration—that the old site be occupied, or that the location be moved across the street to the lot owned by the American Lead & Baryta Co. We are informed that this company has expressed its willingness to sell this ground, for a site for the new court house only, for \$2750, the title to be warranted by the title department of the Missouri Lincoln Trust Co. of St. Louis. This is generally conceded to be a very fair and reasonable offer, and many of our citizens have already expressed themselves in favor of the county court availing itself of it. There is, however, a lease on this ground running for several years, which may put a bar to its sale. The county court, should the American Lead and Baryta lot be obtainable, would sell the old court house site, which at \$20 a front foot, a reasonable price, would bring something like \$3,000, or more than enough to pay for the new site. The advantage of the latter is that it will give more room, occupying as it does, including the lot on which the county jail stands, the entire block on the south side of High street between Missouri and Breton streets. The depth of the lot before it pitches toward Breton creek, which is the southern drainage of the block, and the natural drainage afforded could not be offset in the old site at an expense of less than several hundred dollars. Any danger of fire from surrounding buildings would be reduced to a minimum. In approving the plan to take the American Lead and Baryta lot, if it can be secured, the county holds no brief for any interest but that of the public. It is the best of any proposition in this matter that has been presented or can present itself.
